21 [PROPOSED] ORDER GRANTING  
22 STIPULATED MOTION FOR  
23 CERTIFICATION OF SETTLEMENT  
24 CLASS AND FOR PRELIMINARY  
25 APPROVAL OF CLASS ACTION  
SETTLEMENT

26 Before the Court is the Parties' Stipulated Motion for Certification of Settlement Class  
27 and for Preliminary Approval of Class Action Settlement (the "Stipulated Motion"). The Court  
28 has considered the Stipulated Motion, together with its supporting declarations and exhibits.

29 This Court has reviewed the Parties' Conditional Settlement Agreement ("Agreement"),  
30 as well as the files, records, and proceedings to date in this matter. For purposes of this Order,  
31 capitalized terms used below shall have the meaning ascribed to them in the Stipulated Motion,  
32 unless otherwise defined.

33 Based on this Court's review of the Agreement and all of the files, records, and  
34 proceedings herein, the Court concludes, upon preliminary examination, that the Agreement and

1 Settlement appear fair, reasonable, and adequate, and within the range of reasonableness for  
2 preliminary settlement approval, and that a hearing should and will be held after notice to the  
3 Settlement Class (as defined in Paragraph B below) to confirm that the Agreement and  
4 Settlement are fair, reasonable, and adequate and to determine whether the Settlement should be  
5 approved and final judgment entered in this action based upon the Agreement.

6  
7 IT IS HEREBY ORDERED THAT:

8 **A. Preliminary Approval of Proposed Settlement.**

9 The Agreement is preliminarily approved as fair, reasonable, and adequate and within  
10 the range of reasonableness for preliminary settlement approval. The Court finds that: (a) the  
11 Agreement resulted from extensive arm's length negotiations; and (b) the Agreement is  
12 sufficient to warrant notice of the Settlement to persons in the Settlement Class and a full  
13 hearing on the approval of the Settlement.

14 **B. Class Certification For Settlement Purposes Only.**

15 Pursuant to Federal Rule of Civil Procedure 23(c), the Court conditionally certifies, for  
16 settlement purposes only, the following Settlement Class:

17 All hourly employees at Employers' Sea-Tac International Airport ("STIA")  
18 facility who worked on the Amazon contract during the period between May 15,  
2016 and November 21, 2020, and who have not disclaimed in sworn testimony  
experiencing missed meal or rest periods.

19 The Court finds that the numerosity, commonality, typicality, and adequacy  
20 requirements of Rule 23(a) are satisfied for settlement purposes. The Court also finds  
21 that the predominance, manageability, and superiority requirements of Rule 23(b)(3) are  
22 satisfied for settlement purposes.

23 Accordingly, the Court orders as follows:

24 1. Plaintiffs are appointed Class Representative; and

1           2. Plaintiffs' counsel are hereby appointed and designated as counsel for the above-  
2           described Settlement Class and are authorized to act on behalf of the members of the  
3           Settlement Class.

4           C. **Settlement Hearing.**

5           A final approval hearing (the "Settlement Hearing") shall be held before the Honorable  
6           Ricardo S. Martinez on \_\_\_\_\_ as set forth in the Notice to the Settlement Class,  
7           to determine whether the Agreement is fair, reasonable, and adequate and should be approved.  
8           Papers in support of final approval of the Agreement, the incentive award to Plaintiffs, and  
9           Class Counsel's application for an award of attorneys' fees, costs and expenses (the "Fee  
10           Application") shall be filed with the Court according to the schedule set forth in Paragraph M  
11           below. The Final Settlement Approval Hearing, and all dates provided for herein, may, without  
12           further notice to the Class, be continued or adjourned by order of this Court. After the  
13           Settlement Hearing, the Court may enter a settlement order and final judgment in accordance  
14           with the Agreement that will adjudicate the rights of the Settlement Class Members with respect  
15           to the Released Claims being settled. The scope of the Released Claims shall be: "those arising  
16           under the Washington Minimum Wage Act, RCW 49.46 *et seq.*, the Washington Wage Rebate  
17           Act, RCW 49.52 *et seq.*, the Washington Industrial Welfare Act, RCW 49.12 *et seq.*, and any  
18           claim to attorneys' fees and costs based on the claims released in this Paragraph, which were  
affirmatively asserted or could have been asserted in the Lawsuit.

19           D. **Class Notice.**

20           Class Notice shall be sent within thirty (30) days following entry of this Order. CMT is  
21           appointed as Claims Administrator.

22           E. **Mail Notice.**

23           The Claims Administrator will provide mail notice to persons in the Settlement Class for  
24           whom the Defendants possess mailing addresses. Mail Notice will be sent via first-class mail to  
25           the most recent mailing address as reflected in reasonably available employment records of the

1 Defendant. Skip tracing shall be performed by the Claims Administrator for all returned mail.  
2 The Claims Administrator will also provide e-mail notice to Settlement Class Members' last  
3 known e-mail address, when available.

4 **F. Findings Concerning Class Notice.**

5 The Court finds that the foregoing program of Class Notice and the manner of its  
6 dissemination is the best practicable notice under the circumstances and is reasonably calculated  
7 to apprise the Settlement Class of the pendency of this action and their right to object to or  
8 exclude themselves from the Settlement Class. The Court further finds that the Class Notice  
9 program is reasonable, that it constitutes due, adequate, and sufficient notice to all persons  
10 entitled to receive notice and that it meets the requirements of due process and FRCP 23. The  
11 Court hereby approves the Notice in substantially the same form as that attached as Exhibit Two  
12 to the Declaration of Duncan C. Turner filed in support of the Stipulated Motion.

13 **G. Administration.**

14 The Court confirms that it is appropriate for the Defendants to provide the information  
15 necessary to provide the notice contemplated herein and to administer the settlement, including  
16 names, addresses, and personal identifying information.

17 **H. Exclusion from the Settlement Class.**

18 Persons in the Settlement Class will possess the right to opt out by sending a written  
19 request to a designated address within thirty (30) days after the Notice Mailing Date. All  
20 Settlement Class Members who do not opt out in accordance with the terms set forth herein will  
21 be bound by all determinations and judgments in this action. Exclusion requests must contain  
22 the person's name, address, telephone number, and signature, and must include the following  
23 statement: "I request to be excluded from the class settlement in *Bautista v. WFS Express, Inc.*,  
24 No. 2:18-cv-00757 RSM." The Claims Administrator will retain a copy of all requests for  
25 exclusion. Not later than 15 days from the exclusion deadline, the Claims Administrator shall  
file with the Court a declaration that provides copies of all exclusion requests received.

2           In the event the Agreement is not approved by the Court, or for any reason the Parties  
3 fail to obtain a Final Judgment as contemplated in the Agreement, or the Agreement is  
4 terminated pursuant to its terms for any reason, then the following shall apply:
